# FORE-CASTER

ISSUE 12

SEPTEMBER 1997

## FROM THE PRESIDENT

It's hard to believe that 1997 is quickly coming to a close. ONLY two more general meetings before the year end Christmas Party. And, of course, we do have our CLUB CHAMPIONSHIP Nov 1&2. We have 35 of our members qualified to play in the CHAMPIONSHIP and I would like to see all of you sign up. Remember- IT WILL BE FLIGHTED.

The slate of officers for 1998 is printed in the FORECASTER. If you haven't been contacted to run for an office and you wish to, you can call me and your name will be included. I am so pleased to see the interest and participation from all of you in the club. That's what makes and excellent organization.

The calendar for 1998 should be complete by the October meeting for next year and we are playing the same courses as this year.

I was contacted by the President of EWG about getting some volunteers for the Nitro Senior Tour, that is coming to Las Vegas, Nov. 9 thru the 13. They need volunteers and if you can possibly do this, or if you have any

questions contact me at work or at home.

Hit'em Long and Straight!

TEAM PLAY

Each time we play a match against another team, there are 24 points available to win, 12 gross points and 12 net points. We field 4 teams of 2 players, a total of 8 players. Each of these 4 teams play for 3 gross point and 3 net points, a total of 6 points, which they may win, lose or tie. I am very proud to say that when our girls played on July 14th at TPC against Sun City, the # 1 gross team, took 10 points out of the possible 24. Thanks for a job well done!!

Of course we are next to the bottom in gross (since we do not have any low handicappers) but Las Vegas Country Club is below us! We are in 7th place net, ahead of TPC, Boulder City, Sunrise Country

Club, Muni and Las Vegas Country Club. You should be very proud of the way our team has represented your club this year. Under adverse conditions, we have never missed a match and out of the 60 members who have handicaps - 24 have played on our team so far this season. We only have 2 more matches to play: Sept. 15 at Boulder City against Las Vegas Country Club and Nov. 10 at Sunrise Country Club against Muni. Anyone who would like to play, and can get off from work and who carries a handicap below 35, please contact me. This year has been great for introducing players to team play who have never participated before. You only learn by playing and I always pair a novice with a partner who is a seasoned player.

Once you play TEAM, the bug bites you and you are always eager to go out there and try to bring home all the points! Besides, you get to know the girls you play against and can invite them to play in our MEMBER-GUESTS or INVITATIONAL..... whenever we have one.
